

Week of : April
13th to 17th

Tuesday

Wednesday

Thursday

Friday

Happy Easter!

Literacy

WHO am I?

State 3 clues ex: I can jump, I eat bananas, I climb trees.

Answer: Monkey!

Create 3 and share with your family! Send one to Mrs.Farrell if you want.

Literacy

LEGO Challenge:

You are stuck on Mars and need to build a new ship to get home.

Build your ship, write a descriptive piece of writing. What details did you add? Why?

Literacy

Nature Wands:

Collect a variety of nature items (leaves, petals, cones, etc) to create a 'nature wand' by securing these items to a sturdy stick with string or tape.

Write about your wand, what does it do?

Literacy

Friday Family Read together.

Find 30 minutes where your whole family can read together. You can read TO a family member, or have someone read to you.

Why was the Easter egg hiding?

Because it was a little chicken.

Math

Look at a grocery store flyer. (Paper or online) Choose 5 'wants', and 5 'needs' and calculate how much the total will cost for all of your 10 items. **without tax :)

Math

Pick an ODD number from 50-150 (make it tricky!) and answer the **number of the day** questions.

*posted on our website
(Grade 3's- a number bigger than 150)

Math

Play subtraction WAR.

Both partners flip a card. Subtract smaller number from the bigger number. Whoever had the smaller card wins the cards.

**Math
Play 101 and OUT!**

Find it on the Math Game Blog - on My website :)

Extra:

Indigenous Colouring sheet sent from Shana.

*On PDF resource page

Just For FUN!

Complete the Picture

*It is NOT a fish!

**Find the picture to print on PDF page

Daily PE

Backyard Scavenger hunt.

Find the List on our PDF resources page.

Just for FUN!

ASL practice!

Choose a video from www.ASLnook.com and try to learn one or two new signs!

Daily PE

Alphabet Body: call out a letter and work together to form that letter by using your bodies. Letters that work well are: A, X, S, C, F, J, I, L, U, V, K, Z. Stretch and hold your position to the count of 10.
