Thursday

Friday

Literacy

Write a letter to a family member. Remember to use a juicy word, a beginning, middle and an end. Ask a question to see if they write back!

Literacy

Read a short story or part of a book. Write a response and make at least 3 connections with what you read.

Literacy

Write a creative story using the following prompt:
"Quick! Catch that cat! It just stole my___".

Literacy

Draw yourself as a superhero. Write about it. What power would you have? Why would it be important?

Literacy

Write out a favourite recipe.

*Bonus - Make it with your family!

Math

The answer is 50. What could the question be? Think of as many answers as possible. (+,1 sentences, story problems etc)

Math

Play *addition Pyramid*.
* Deck of cards is required.
Pull 2 cards, find their sum.

Math

Pick a number from 50-150 (make it tricky!) and answer the **number of the day** questions.
*posted on our website

Math

Visit <https://mindfull.wordpress.com/>
Find a new game to learn!

Math

The answer is 74. What could the question be? Think of as many answers as possible. (+,1 sentences, story problems etc)

Daily PE

Neighbourhood walk/run.

Just For FUN!

Create a "find the difference" photo. Send it to Mrs.Farrell and she will send it to your class! (See Genna's example on the Email!)

Daily PE

Neighbourhood scavenger hunt. Try to find 3 different types of trees.

Just for FUN!

Send Mrs.Farrell an e-mail. You can also send her an e-mail to send to a friend if you want to connect with your class!

Daily PE

Neighbourhood walk/bike ride.
